Reviews

★★★★★

The updates continue to get more subtle and faster. And strong more features. Good stuff!

-David B

★★★★★

One of the nicest design apps I have worked with, great interface, user friendly and functional. Everything is beautifully designed and intuitive.

-The Helix

★★★★★

Great app for anyone started with creating a video or gallery related app. Thanks Aappelfolio!

Description

Create and view interactive brochures, presentations, catalogs and portfolios.

Appafolio enables anyone to create interactive folios with no coding required that work online. Show your Appafolio anytime, anywhere. No need to bring a laptop or paper to present your ideas, work or products any more.

As seen in Techcrunch, AllThingsD, Professional Photographer and more.

Customize your own presentation with photo galleries, slideshows, videos, text and personalized designs. Arrange a sequence of screens any way you want. Extend your content and design with custom HTML and CSS. Add your own branding and logo.
